For several years we have been  
about graduation. Always it has  
would never really come to us. Still  
ward that end, saw others graduat  
head of us, and looked forward to  
would be the ones to welcome par

# **“FUTURE OBLIGATIONS”**

**Theme: The attitude of the class toward the future**

Ladies and Gentlemen:

We who are graduating in the near future are facing the most important problem by any class to graduate during our time. We will be doing our share in the great war effort.

In the sky now are the pilots
